

Critical Information Summary

ADSL2+ Naked

Information About the Service

Naked ADSL2+ Broadband Internet provides you with a broadband internet service without the cost of telephone line rental. Naked DSL2+ is an internet data line only. Even though the service is activated on a vacant phone line, it has no associated phone number or phone service. This service is ideal if you use your mobile phone or a VoIP service to make calls.

Service Availability

ZettaNet ADSL and ADSL2+ services are not available in all areas or premises. Refer to our online Availability Check - <http://www.zetta.net.au/services/internet/dsl2-broadband>

Minimum Term

Naked ADSL2+ Broadband services are available on 1 month and 24 month contract terms. 24 month contract terms offer discounted connection fees. Early termination fees apply.

Service Requirements

Broadband ADSL2+ services require your premises to have a telephony line in order for the Broadband service to operate. Please refer to “Other Fees” if you do not have an active telephone service or no copper wires in your premises. Please note that the supply of this service and any cabling that is required in your premises beyond the network boundary point is your cost and responsibility.

You will also require an ADSL compatible modem. An ADSL modem can be obtained from ZettaNet at an additional cost. Refer to www.zetta.net.au/support/purchase-new-hardware for modem pricing.
